

Roll-A-Door Secure™ - Australia's Most Secure Roller Garage Door

Canonical:

<https://directory.bnd.com.au/garage-doors/residential-garage-doors/roll-a-door-secure-roller-garage-door/>

Description:

Engineered as a complete four-part locking system to resist attempted forced entry, tampering and impact. Roll-A-Door Secure features dual AUTO LOCK™ technology, heavy-duty security guides, reinforced security bottom rail, and compatible B&D; opener. The only Australian roller door to meet and exceed the Australian Garage Door Standard for locking performance and impact resistance. Available in Neo and Deluxe profiles with extensive COLORBOND® steel color options, COLORBOND® Matt finishes, and TimberCoat wooden-look finishes. Tested to 30,000 open/close cycles with 10-year Total Confidence Warranty covering all components.
