

B&D; Sectional Garage Doors - Residential

Canonical: <https://directory.bnd.com.au/home-garden/garage-doors/bd-sectional-garage-doors-residential-1/>

Description:

B&D's range of sectional doors are extremely durable and secure and unlike most sectional doors on the market, can be locked securely shut with B&D's Auto-Lock. Crafted from high quality Australian steel, B&D's sectional doors deliver exceptional strength and durability with sophisticated architectural designs and premium finishes. Features include pinch-free, finger-safe designs, smooth and quiet operation, and available options for insulation, windows, and extreme weather protection including bushfire (BAL-Maze) and cyclone protection (Windpanel, Storm-Shield).
