

Storm-Shield Sectional Garage Door - High-Wind Rated

Canonical:

<https://directory.bnd.com.au/home-garden/garage-doors/storm-shield-sectional-garage-door-high-wind-rated-1/>

Description:

The Storm-Shield sectional garage door has been purposely designed, developed and engineered to meet building code requirements for high-wind regions of Australia. Features a brace-free design, self-locking Tracklock System, and is independently tested to comply with Australian standard AS NZS 4505:2012 for Region C. Available in multiple profiles (Nullarbor, Seville, Madrid, Statesman, Grange) and extensive color ranges including Natural-Look Finishes, Knotwood timber-look, and COLORBOND options.
