

B&D; Smart Garage Door Opener with WiFi Control

Canonical: <https://directory.bnd.com.au/home-garden/smart-home-security-systems/bd-smart-garage-door-opener-with-wifi-control/>

Description:

A smart garage door solution that combines B&D's best-selling roller and sectional garage doors with an intelligent cellular or WiFi garage door opener. Control your door from anywhere using your smartphone, with features including remote access, voice control via Google Home or Apple Siri, activity logging, multi-user access management, auto-close timers, and real-time notifications. Compatible with iOS and Android devices.
